

INTRODUCING BGV SHINES

Breckenridge Grand Vacations (BGV) wants to assure our owners, guests and employees that we are committed to delivering a safe environment at all of our resorts and workplaces. Health and safety have always been a priority at BGV, and now we have taken extra steps to elevate our commitment in an effort to exceed expert recommendations to help control and curb the spread of COVID-19 at our resorts and in our community.

THE CYCLE EFFECT: TRAINING IN TIMES OF COVID-19

The effects of COVID-19 this year have managed to make our team think creatively and modify our current Cycle Effect programming. At a time when it's been hard to be physically together in the team environment we strive to nurture, The Cycle Effect (TCE) has been strongly united and continues to empower young women through mountain biking to create brighter futures and stronger communities.

GETTING READY FOR SKI SEASON AND STAYING HEALTHY

With ski season just around the corner and the first snow of the season already in the books, we couldn't be more excited to get back on the slopes – especially after being cooped up inside since March! However, due to our new homebound lifestyles as of late, physically preparing our bodies for downhill skiing and riding is paramount to avoiding injuries.
